TELEPHONE CONFERENCE RECORD

Hon. Assistant Commissioner
For Patents
Washington, D.C. 20231

Sir:

SPE Richard Hjerpe and the Applicant's representative, Mr. Vincent Turner, spoke on the telephone on December 10, 1998 and on December 15, 1998 regarding IDSs in the pending applications of the Applicant. SPE Hjerpe said that he had met with the directors of the groups examining the Applicant's pending applications regarding IDSs being filed by the Applicant. SPE Hjerpe stated that the Directors had decided that, when an IDS is relevant to multiple applications, the Applicant should file an individual IDS in each relevant application and that the Applicant should file three copies of each patent and nonpatent reference with SPE Hjerpe. This will make it more convenient for the Applicant and for the PTO. SPE Hjerpe suggested that the Applicant select an application and direct the copies of the references to that application for convenience. The Applicant has selected the instant application identified above.

SPE Richard Hjerpe and Mr. Vincent Turner spoke on the telephone on February 2, 1999. SPE Hjerpe suggested that the Applicant deliver the copies of the references to his office in room 6R01, in Crystal Park 2, on the sixth floor, at the PTO.

Respectfully submitted,

Sir:

The Applicant makes note that, on the Notice of References Cited in application S/N 08/454,896 the Examiner cited patent No. 4,951,139 (which is a patent to Hamilton) and the Examiner provided the Applicant with a copy of patent No. 4,591,139 to Hamilton, but the Examiner erroneously listed patent No. 4,591,139 as a patent to Englebart. The Applicant interprets this to be a cite to patent No. 4,591,139 to Hamilton and not a cite to an Englebart patent.

TELEPHONE CONFERENCE RECORD

Hon. Assistant Commissioner
For Patents
Washington, D.C. 20231

Sir:

SPE Richard Hjerpe and the Applicant's representative, Mr. Vincent Turner, spoke on the telephone on December 10, 1998 and on December 16, 1998 regarding IDSs in the pending applications of the Applicant. SPE Hjerpe said that he had met with the directors of the groups examining the Applicant's pending applications regarding IDSs being filed by the Applicant. SPE Hjerpe stated that the Directors had decided that, when an IDS is relevant to multiple applications, the Applicant should file an individual IDS in each relevant application and that the Applicant should file three copies of each patent and nonpatent reference with SPE Hjerpe. This will make it more convenient for the Applicant and for the PTO. SPE Hjerpe suggested that the Applicant select an application and direct the copies of the references to that application for convenience. The Applicant has selected the instant application identified above.

SPE Richard Hjerpe and Mr. Vincent Turner spoke on the telephone on February 2, 1999. SPE Hjerpe suggested that the Applicant deliver the copies of the references to his office in room 6R01, in Crystal Park 2, on the sixth floor, at the PTO.

Respectfully submitted,

Dated: February 2, 1999
